# ***nex+Gen Academy, part of the New Tech Network***

## ***Key Successes***

**nex+Gen Students arrive at the 9th grade comparable to the APS averages for achievement and demographics. After four years in this innovative school, they:**

- **Graduate at Rates above the State Average**
- **Score in the top Statistical Peer Group in the State improving 20 percentage points in ELA and 17 points in Math**
- **Prove ready for College at a rate at or above the National Average while completing a year long personal inquiry research project in the senior year**
- **Prove ready for Career by successfully completing mentorship experiences and dual credit classes**
- **Attend school 98% of the time**

**The New tech Network Partnership helped nex+Gen get there by developing innovative practices ...**

- **Project based learning focused on content and skills**
- **Students working collaboratively**
- **Culture of trust, respect and responsibility**
- **Ubiquitous technology access**
- **Adaptive leadership model**
